## Prescription Medications

If your child requires medication for a current condition, the following procedure must be observed to ensure safe administration:

- Prescription medication must be in its original container with an accurate pharmacy label indicating camper's name, medical provider, dose, and timing.
- If the directions on the container are different from what the physician is currently prescribing, written instruction from the physician is necessary.
- Place all medication in a Ziploc bag, labeled with child's name. This must be given to camp nurse at the time of registration.

## Over-The-Counter Medications

We stock over-the-counter medications to aid your child for health problems that may arise. The following medications are stocked and dispensed as deemed necessary by the camp nurse: acetaminophen, ibuprofen, antihistamine, throat lozenges, anti-nausea, anti-diarrhea, antiseptic solution, antibiotic ointment, anti-itch cream, ipecac, aloe, sunscreen, and insect repellent.

I understand that WPC&RC has taken measures, including having staff certified in CPR, to aid in the safety of all camp participants. However, I also recognize that WPC&RC cannot ensure or guarantee that the participants, equipment, grounds and/or activities will be free of accidents or injuries. I am aware and have instructed my child about the importance of knowing and abiding by the camp rules and regulations. I voluntarily waive any claim against WPC&RC, its staff members, and Board Members, against all liability, claims, damages, attorney fees, or expenses arising out of or in connection with camp activities.
